Target no target number

Today July 5, 2019

Start 7:20 PM

**W1F-T3**

Today July 5, 2019

Start 7:20 PM

7:58 PM End RV

Buildings and structures. Floor not detected, we are up at elevation. Orange color structure to the right. Gray silo-shaped building on the left, with a gray top. Spiral staircase or just spiral wall around the silo-shaped building. A yellow rooftop in the near background. Target signal was weak and it seemed almost a surreal landscape.

Good correlation.

8:00 PM End session.
