Start 6:00 PM

This session follows directly after the previous session. Five picture options are concealed until later.

The ground is hard and significant. The ground has a curved blue shape. Red colors.

6:06 PM I look at the five pictures.

Colosseum, candies in different colors, kayaker, rockets lined up on the ground, a green snake wrapped around a branch.

Curved shape, could be Colosseum or the white structure on the rockets picture.

I am not feeling so confident but I will choose the Colosseum.

Feedback: The target was the kayak.

6:16 PM End notes.
